Good Hunting Marks Opening Of Season Here

More Than 20 Cited For Violations During Weekend

The deer hunting season in this district opened under ideal conditions for the hunter last Saturday and reports of more and bigger deer killed than for several past seasons were received. Hundreds of deer were killed as the area filled with thousands of hunters from far and near.

The eight game wardens assigned to the district made more than a score of arrests during the opening weekend.

Donald H. Berry, 23, Carmichael, hunting with a party near Hirschdale bagged a spike buck. Taken before Judge F. W. Wilson, the hunter was assessed $25 and the deer was confiscated.

Fined $250

John Muschetto Jr., 21, Citrus Heights, hunting with his uncle, Frank Muschetto, was fined $250 by Judge Alden Johnson at Sierraville for killing a spike buck. The elder Muschetto was assessed $50 for possession of the spike.

C. P. Rose and H. C. Hilliard, both of Santa Rosa, were fined $25 each by Judge Wilson for having loaded guns in their car. A similar fine was imposed by Judge Johnson against John Ware of Beaumont and N. F. Stephens of Walnut Creek on the same charge.

R. A. Isabel of Stockton was fined $50 by Judge Wilson on a charge of failing to tag his deer. Game wardens said they apprehended Isabel after he returned to camp, where he was in the process of filling out a tag belonging to his wife.

Others Pending

Other cases pending in the Truckee and Sierraville courts include: Charles Lauthan, San Mateo, spike buck; Jess Orr, Denair, failure to tag deer; Bill O. Bruce, Sacramento, spike buck.

The following were cited for having loaded guns in their vehicles: William Star, Hayward; Luis Armico, Oakland; Frank F. Cannon and Frank B. Cannon, both of Piedmont; Emmett Crespin, Oakland; Joe Martin, Lodi; Ralph Dixon, Stockton; William V. Mills Jr., Mather Air Base; John F. Grace, Davis, Ralph Gabbert, Oakland.

Does Slain

Wardens reported a large number of does and spike bucks were found slaughtered and left to rot throughout the area, as careless hunters shot the first moving object they saw or deliberately shot the illegal game for target practice. The officers point out that this sort of violation is virtually impossible to stop without the full support of sportsmen.

At least one instance of a buck being killed before the season opened was investigated but because of technical difficulties, including the absence of both the dead deer and the car in which it was hauled made prosecution next to impossible.

100 ATTEND O.E.S. RECEPTION HERE

Nearly 100 members of the Order of Eastern Star attended the reception Saturday in Truckee for Mrs. Thresia Buddle, deputy grand matron, who was honored by chapters from Truckee, Sierraville, Portola, Loyalton and Beckwourth.

A number of visitors were present from the bay area and surrounding towns. Refreshments were served.

CUB SCOUTS TO RECRUIT MEMBERS

Cub Scout Dens 1, 2 and 3 will hold a pack meeting on September 29 in the Veterans Memorial Hall beginning at 7 p.m. All boys interested in joining the Cub Scouts should attend the meeting, accompanied by their parents.

HIGH SCHOOL PTA SCHEDULES MEET

The first meeting of the Tahoe-Truckee High School Parents and Teachers Association will be held at the school on Thursday evening, October 8, it was announced this week by Rex Reid, president.

Dancing will be enjoyed from 8 to 11 p.m., affording an opportunity for the parents and teachers to become acquainted. Old fashioned square and folk steps as well as more modern dances will be included in the evening's entertainment. All interested are asked to join the organization.

Rummage Sale—

The WSCS is conducting a rummage sale today and tomorrow in the basement of the Community Methodist Church.

First Legal Deer Killed Near Here By Local Hunter

Honors for bringing in the first deer of the 1953 season this year went to Ralph H. Frank, Donner Lake, distributor for Associated Oil Company, who killed a 160-pound forked horn just back of Truckee Resort within five minutes after the season opened.

Frank was accompanied by his father, R. R. Frank, a railroader from North Carolina, who with his wife are visiting their son and family.

The elder Frank had never seen a deer killed before and was fully rewarded by seeing the first one of the season legally downed at a distance of 100 yards.

DAYLIGHT SAVING TIME WILL END SUNDAY MORNING

Well, you can get back that hour of sleep you lost last April when the clock was put ahead one hour for Daylight Saving time.

Sunday the state goes back on Standard Time. So, Saturday night when you go to bed, turn the clock back one hour.

If you don't, church won't begin for an hour after you get there Sunday.

HUNTER IS SHOT IN LEG DURING SEASON OPENING

John Duncan, a Yolo County rancher, was taken to the Tahoe Forest Hospital for treatment of a gun shot wound in his upper left leg Saturday and later was released to be taken to his home.

Duncan and a companion, Samuel Ramsey, Woodland, were hunting in the Webber Lake region and had just bagged a buck and started shooting at a second when a bullet from the rear struck Duncan.

Both men turned quickly and saw a man tearing away through the brush. They could not determine whether he also was shooting at the deer or whether he deliberiately shot Duncan. At any rate, according to Ramsey, the assailant lost no time in his departure from the immediate area.

Also injured and taken to the hospital for treatment was Charles Ogden of Vallejo, whose gun breach exploded as he was shooting, causing serious injury to his right eye.

Reports that still another hunter narrowly escaped death when a bullet plowed through his hat—a red one at that—as he removed the hat to wipe his brow could not be verified conclusively.

CARROL RAYMOND RESIGNS CHAMBER POSITION AT TAHOE

TAHOE CITY— A fact finding meeting called by Fred Main, president of the Lake Tahoe-Sierra Chamber of Commerce, to learn why the chamber is not getting the support of many business establishments around the lake brought with it the resignation of office manager Carrol Raymond.

Miss Raymond has agreed to stay on for a short time to take care of important work on hand.

At the meeting Main appointed N. R. Mayfield, Tahoe City; George Kehlet, Meeks Bay, and Mrs. H. P. Craven of Fallen Leaf on a committee to obtain temporary office help and to set the policy for operating the office.

FIRE ON ROOF

A fire in an asphalt pot used in repairing the roof of the Sierra Tavern Friday caused some alarm but was quickly put out by the fire department which responded to an alarm. No damage was reported.

Mahne House Guests—

Mr. and Mrs. A. Mahne had as their guests last week Mr. and Mrs. Joseph Zimmerman of Detroit, Michigan, and Mr. and Mrs. Roy McKinnon of Sacramento.

Here for Hunt—

Mr. and Mrs. Jack Fitzgerald of Fresno spent the weekend with the latter's parents, Mr. and Mrs. C. Edmunds, and Fitzgerald bagged a nice buck during the hunting trip.

Traffic Report Shows Truckee High In State

More People Enter State Via Truckee Than Elsewhere

The Truckee state quarantine station checked a total of 70,998 vehicles going into California over Highway 40 during August as this lateral maintained second place among the state's 17 border stations.

Truckee was exceeded only by Yermo with a total of 72,725 vehicles, but surpassed that southern California station in passengers, Truckee having 216,243 compared to 206,652 counted at Yermo.

The local score showed 67,168 automobiles, 3,040 commercial vehicles and 790 buses.

Meyers on Highway 50, had 20,171 automobiles, 266 trucks and 69 buses, with a total passenger count of 59,404 or 156,839 less than were checked at Truckee on Highway 40.

The number of cars entering California via Truckee last August as compared to August, 1952, showed a gain of nearly 5,000, while Highway 50 showed an increase of less than 2,000 over the 18,437 cars checked at Meyers in August, 1952.

A gain was shown at nearly all the stations, indicating more and more cars each year are entering California. The check for August showed 431,545 cars, 23,657 trucks and 4,698 buses and a passenger count of 1,342,651.

During August, 1952, there were 401,371 cars, 21,729 trucks and 4,603 buses with a passenger total of 1,246,938.

FINAL PLANS FOR BUCK STEW WILL BE MADE FRIDAY

Officers and directors of the Truckee Outdoor Sportsmen will meet at Capitol Hall tomorrow evening to complete plans for the annual free buck stew to be held at the hall Sunday, October 4, at 2:00 p.m.

Charles Osburn, president of the organization, said he has been assured that there will be more than ample stew for the hundreds of sportsmen and others expected.

In the meantime a large array of prizes has been assembled, gifts from local business firms, which will be presented as a highlight of the afternoon immediately following the serving of the stew which will be prepared by Mr. and Mrs. Johnny Ciardella.

A fear that the former might be forced to give up his part in preparing the feast because of an automobile accident in Reno two weeks ago has vanished. Ciardella is apparently well on the road to recovery and is back on the job.

OFFICERS NAMED BY LOCAL SCOUTS

Quenton Kay, to be assisted by Gene Miller, was elected Denner of Cub Scout Den No. 2 on Wednesday, September 16. The boys will hold their offices for six months. The meeting was held at the home of Mrs. James Walker. Mrs. Charles Kay gave the boys a cake made in the form of a school house, which was served at refreshment time.

At the September 22 meeting the group worked on past achievements, planning to present them in review at the pack meeting. The boys will take part in the membership drive planned for the Parents and Teachers Association.

DRUNK DRIVER IS FINED $250

Robert Lee Gray, 44, Reno, was fined $250 when he appeared before Judge F. W. Wilson Monday on a charge of drunk driving. He was arrested near Independence Lake by Patrolman Roy Stallard after his car overturned in the road. His driving privileges in California were suspended for 90 days.

A companion, Flavious Hammer, also of Reno, posted $50 bail on a charge of violating the county sobriety ordinance.

SUNBEAMS

By WALTER M. BARRETT

Any hunter who deliberately and knowingly shoots an illegal deer should have his hunting privileges automatically and permanently suspended. Annually the woods are left filled with carcasses of does, fawns and spike bucks. Many illegal animals are wounded and left to die in agony, as some witless hunter satisfies his desire to try out a new rifle or becomes impatient at the absence of legal deer and blazes away. Fines, if stiff enough, sometimes provide a lesson but too often this type of hunter pays his fine cheerfully, returns to the hunt and continues his practice. Circumstances must determine the degree of punishment and evidence must provide this basis, but there is absolutely no excuse for killing a doe or fawn and very little for slaughtering a spike buck. Laws were made and are being enforced to provide hunting for future sportsmen as well as for the present, and if these laws, designed solely for the sportsman, are not lived up to more rigid penalties must be prescribed or the sport will soon fade away.

Forest service men are carefully scanning the woods in the wake of the thousands of hunters who visited here during the opening days of deer season, looking carefully for abandoned campfires, but looking in vain. That is a very good record and the hunters are to be complimented for their care. The tinder-dry grass and brush at this season of the year invite the smallest spark to start a forest fire and continued care by the hunter and others frequenting the woods is sincerely urged.

TRIAL DELAYED FOR GEORGE SAGE AS WITNESS ILL

NEVADA CITY— The trial of George Howard Sage, 26, Oakland engineer, charged with manslaughter in the highway accident death of Richard Alfred Haddy of Sacramento, was continued Tuesday until October 9.

The jury venire summoned last week appeared for examination at the opening of the trial but District Attorney Vernon Stoll asked continuance because the chief prosecution witness, Frank Terrill, was unable to appear.

Superior Judge James Snell, displeased at the unexpected development of the failure of the witness, commented on the cost of summoning jury venires when they could not be used at the time.

District Attorney Vernon Stoll explained that Dr. George Hahn of Tahoe Forest Hospital, where Terrill is a patient, had earlier said that his patient would be able to appear. Over the weekend, after additional examinations, he then had to inform the district attorney that the man was still too ill to be moved and that such movement could endanger his life.

BIDS ASKED FOR HAULING STUDENTS

The governing board of the Tahoe-Truckee unified school district is seeking bids which will be opened Tuesday, October 13, at 5 p.m. for providing transportation for school children from Hobart Mills to the Truckee elementary school and the district high school. Specifications are on file at the office of E. V. O'Rourke, district superintendent, at the high school.

Details are contained in a legal ad elsewhere in the Sierra Sun today.

FEEL EARTHQUAKE

Local residents felt a sharp but brief earthquake in this area on Tuesday at 1:45 p.m.

Family Reunion—

Mr. and Mrs. Wm. Frey attended a reunion of the latter's family in Sutter last Sunday.

Fire Department To Be Enlarged For New District

Firemen Study Expansion Problems During Session

Truckee's Volunteer Fire Department at its Tuesday night meeting was authorized to expand its membership from 25 to 30 men. This action was taken by the district commissioners in view of the recent annexation of adjacent territory which more than doubled the size of the district.

Chief N. F. Dolley said applications for membership will be accepted during the next month. From the list established, the five new vacancies will be filled and a waiting list will be drawn up. He reminded potential firemen that the TVFD is not primarily a social organization, although it does sponsor various social functions. Members are expected to maintain a high standard of attendance at monthly meetings, drills and fire calls. If they do not, they will be promptly dropped from the insured roster so that another may be added to the limited list.

Dolley said that the new firemen need not necessarily be residents of the recently annexed area but that the name of any man resident in the entire expanded fire district will be considered. Verbal applications will be noted by Chief Dolley, Assistant Chief Glenn Coffey or any member of the department.

The volunteers also voted to equip their rescue truck as an auxiliary fire fighting unit and loan it to the district until such time as money is available for more equipment.

Commissioners R. N. Little, A. Pace and E. K. Stice met with the firemen to discuss equipment, housing for it, added problems in the annexed area, placing of new hydrants and kindred subjects.

Also contributing to the discussions were Nelson Stone, fire control officer for the forest service here, and Daven Morey, inspector at the state quarantine station.

Glenn Lee of Truckee was named on the department to fill an existing vacancy.

Before adjourning, the volunteers voted to sponsor a public dance at Capitol Hall on Halloween, October 31, to raise funds for their rescue truck and auxiliary fire fighting unit.

DRIVERS CITED IN ACCIDENTS AS SEVERAL INJURED

Sam Adrian and Marlene Adrian, both of Oakland, were injured and taken to the Tahoe Forest Hospital Friday night after a car driven by Bobby Ray Mason, Oakland, left the highway just below the Donner Bridge and crashed into a rock. The driver was cited for driving without due caution by Patrolman Martin Sturcke.

Four people were hurt Saturday morning when cars driven by by George E. Lawrsen, San Francisco, and Carl Lustig, San Francisco, collided near Kingvale. Lustig was cited by Patrolman Carroll Maynard for coasting and being on the wrong side of the road.

Taken to the hospital were the two drivers and Paul Larsen and Johnny Watto.

Flora Renusat, Sparks, was cited for violating the county's sobriety ordinance after a car she was allegedly driving overturned near Boca Sunday afternoon. She suffered minor injuries. Patrolman William Gautsche investigated.

Theresa O'Brien, Billy Gene Poland and Nita Poland of Sacramento were hurt Saturday afternoon seven miles east of Truckee when a car driven by George M. Poland of Sacramento ran off the road and was wrecked. Patrolman Sturcke investigated.

ATTEND FAIR

TAHOE CITY— Among Tahoe people motoring to Reno Friday to visit the Washoe County Fair were Mrs. Patti Scott and sons, Bruce and Edward B. II, their cousin, Kittie Reid, Mrs. Beccy Shontz and children Jayne and Bro, and Miss Sandra Fellows. (es)

McIver Chosen As Foreman Of New Grand Jury

James McIver of Truckee is the new foreman of the Nevada County grand jury named Wednesday morning by Superior Judge James Snell at Nevada City. McIver was a hold-over from last year's jury.

Another Truckee member of the grand jury is R. N. Little, a new member on the group.

There are five hold-overs, including McIver. The others are Albert Black, Frank Davies, O. E. Stahlsmidt and Elizabeth Helen White. New members beside Little are Edgar C. Bawden, Lorraine A. Keast, James J. Rowe, Alfred M. Brass, Ruth E. Truscott, Mary T. Powell, Herbert C. Stokes, Gail Gordon, Charlotte M. Casci, Edna McGrath, Reva Warne, Ralph Leonard and Morton A. White.

The new grand jury was in session today at the request of District Attorney Vernon Stoll, presumably to study evidence in the widely publicized Santo-Perkins murder case.

CHAMBER SEEKS FULL-TIME CLERK AT LOCAL OFFICE

The Truckee chamber of commerce has directed a communication to A. H. Henderson, director of the department of motor vehicles, urging the employment of a full-time registration and drivers license clerk in Truckee.

This was announced at the meeting held Tuesday night at Brown's Cafe. During the meeting Edwin Crandall discussed the possibilities of a winter sports development on Long Hill and asked the cooperation of the chamber. The matter was taken under advisement pending further study.

President Cliff Ellis announced that in the future the chamber would revert to the twice-a-month meetings, the next being called for October 13.

SEARCH ENDS AS HUNTER IS FOUND

Shortly before midnight last night, George E. Mann, 65, Sacramento lumber dealer, returned to Truckee to end a search which had been conducted for him in the Boca region during the afternoon and evening, after his hunting partner, E. R. Fox of Sacramento, reported him missing.

Mann told local officers he had been lost but managed to find his way back after dark last night.

Search crews had combed the region thoroughly.

JOHN CARL HURT IN SAW ACCIDENT

John Carl, well known Soda Springs carpenter, is recovering from a badly lacerated right hand in which four fingers were broken as a result of a Skil-Saw accident last week. Carl was taken to Tahoe Forest Hospital where he was treated by Dr. George Hahn.

NEW CLERK WILL BE IN CHP OFFICE

Capt. George Peterkin of Roseville, in charge of the Truckee office of the California Highway Patrol, announced this week that the resignation of Mrs. Paul Archer as clerk at the office has been accepted effective October 13. Miss Lassie Collier of Grass Valley, a former clerk with the state banking department at San Francisco, will replace Mrs. Archer on that date.

The office will be closed between September 28 and October 13 to permit the present clerk to have her annual vacation before the resignation becomes effective.

BEAVERS BATTLES BLAZE AT ANGELES

TAHOE CITY— Clarence Beavers, officer at the William Kent forest service station here, is again away on fire fighting duty in the Angeles Forest in southern California. A fire, believed under control, got away from fire fighters, jumped a fire break and again got beyond control. (es)

Businesses Will Expand Under Local Changes

Loynd's Drug, Toggery To Enlarge Stores In Program

Major business changes affecting Loynd's Truckee Drug, Rasco and Jim Walker's Toggery are in progress and will become effective later this fall.

E. L. Loynd, owner and operator of the drug store, announces he has obtained a lease on the former Bank of America quarters in the Sierra Tavern building and proposes to connect the present drug store with the newly acquired space to provide for expansion of the drug store and creation of room for a variety of new merchandise.

Much of this merchandise will come from Rasco, local electric and sporting goods store, now housed in the Richardson Building on the main street. The build- was purchased last week by V. C. Shattuck, owner of the Donner and Tahoe theaters.

Rasco will cease to operate as an entity but many of the items now sold there will be available through the enlarged drug store, Loynd said.

Walker plans to move his Toggery stock of men's apparel into the new Shattuck building, giving up his lease in the Smith building a few doors east.

Shattuck is purchasing the Rasco building, formerly occupied by Rossarini's, from the Richardson estate and plans many improvements on the front and interior. The purchase price includes the fixtures as well as a storage room across the alley from the main building. The latter is 25 by 91 feet and is one story.

Loynd's lease from Arthur Walters, Sierra Tavern owner, includes the former cocktail lounge of the tavern, which will be converted into storage space.

Walker plans to enlarge his stock and add items. The present location, he said, precludes this proposed expansion. It has not been announced what is to be done with the present Toggery store.

None of the changes announced are expected to take place before early in November.

LOCAL FOOTBALL TEAM LOSES IN DOUGLAS GAME

The Tahoe-Truckee High School Wolverines suffered a 21-6 setback last Friday night in a football game with the Douglas Tigers at Gardnerville. The Wolverines, displaying decided improvement over last year's squad, started off fast but lack of game experience showed up in the second half.

Tahoe-Truckee scored first as they blocked a Douglas kick on the Tiger 30-yard line. Four plays later Dick Mandeville plunged over right guard from four yards out for the score. The conversion attempt failed.

In the second period, Douglas pulled their first of four "sleeper" plays, scoring and adding the extra point. With two minutes to play before half time, Douglas made the score 9-6 as Mandeville was tackled in his own end zone for a safety.

Douglas scored again in the third and fourth periods, using the sleeped play each time to advantage.

Fine defensive play was shown by Gary Brumbaugh and the Germain brothers, Wayne and David, and hard offensive running by Jerry Quam, Hugh Van Hooser, Jay Stuart and Dick Mandeville.

The locals meet Loyalton Friday night at 7:30 o'clock in Loyalton for a non-conference contest.

RONNIE WALKER FETED AT PARTY

Mrs. James Walker entertained at a party September 19 for their son Ronnie, who was four years old. Birthday gifts were opened and small friends played before refreshment time. Those invited included Mrs. J. Neugebauer and sons, Monte and Jerry; Judy Wakefield, Mrs. John Street and daughter, Kathy; Susan Olano, Phyllis Barrett, Debbie Ellis, Mrs. Fosten Wilson and son Fosten, Linda and Randy Russell and Karen Hedlund.

BOY INJURED IN FOOTBALL PLAY

Robert Trask, 13 year old son of Mr. and Mrs. Ed Trask of Truckee, suffered a fractured shoulder last Friday at Gardnerville. Following the football game between the Tahoe-Truckee high and the Douglas high school, members of the two squads were indulging in friendly post-game scrimmage and a hard tackle sent Robert to the turf where his shoulder was severely but not seriously hurt. Dr. George Hahn treated the injury.

STRANGE

Y'SAY YOUR HORSE IS RUNNIN' ON OPENIN' DAY AT SANTA ANITA, FRANK! OKAY, I'LL BE THERE TO— THE DATE IS DECEMBER 26 ----- DON'T FORGET IT!

NORTH TAHOE

by THELMA BURROUGHS

We are still looking for some one to take over the Kings Beach branch of the Placer County library. If no one comes forward soon to offer space and responsibility for the books, this community will not have access to library books through the winter months when some have time to actually catch up on that neglected phase of life.

Five years ago, we heard here and there that Lake Tahoe was being "overbuilt." This summer "No Vacancy" signs flashed everywhere around the lake. Today, new units are being added to Sun and Sand Resort in Kings Beach, James Lake Shore and Villa Vista at Tahoe Vista. A brand new resort is under construction across the highway from North Shore Market. New homes are going up around the bend in Tahoe Vista. A big supermarket is under construction at Carnelian Bay. This is nothing, wait another five years. Tahoe is just beginning to come into its own.

As of October 1, Jerry Potts of Tahoe City will take over operation of The Burroughs Resort in Tahoe Vista as new owner. Jerry has had an interest in Lakeside Cottages at Tahoe City for several years, so does not come as a stranger to the lake. He knows the ins and outs of resort business and will be an asset to the community. Mrs. Potts, Priscilla, presently employed in the bay area, is expected to arrive early next month. For the time being the resort will continue to operate under its present name. Our plans? Nothing specific. Just floundering around in an ocean of whims.

Of interest to North Tahoeites should be the news that Douglas Miles, formerly of Kings Beach, son of Florence and the late Mulford Miles, recently honeymooned at Stevenson's Holliday Inn, Kings Beach. The bride, Theresa Monica, is the daughter of Mr. and Mrs. Alfred Joyce of San Francisco. The young couple were united at St. Agnes Church in San Francisco on September 6 and plan to make their home in Palo Alto.

Mr. and Mrs. Abe Rubin of Oakland are occupying their recently purchased home at Brockway. The place was formerly owned by Mrs. Tom Thatcher.

"Deer! Oh, deer!" is the expletive in order at present as the hunters take over in an invasion by jeep, horse, shanks mare, truck and trailer. The barrage began at dawn Saturday with one of the first casualties coming down the mountain in style via the Soda chair lift. Harry Wilbur of the California Sportsman was on hand to take pictures of the vanquished and the huntress, Alice Donovan of Oakland, who loaded her kill in one of the chairs, mounted another herself and descended in the mechanical stairway, kept running by Milton Hogle, manager of the hill. Walter Jansen of Lincoln, in turn, on Sunday used this method to bring his buck off the hill.

Thelma Scott drove out from Palisades for supplies. She reported finding a spike buck that had been shot, mortally wounded, that had wandered into Cascade Lake to breathe its last.

To tease the early comers the day before opening, six magnificent bucks (not a doe among 'em) walked the tracks back of Beacon Hill Lodge in stately parade, took their curtain call and went off stage.

A frightened fawn jumped off a bank, slipped and fell on the highway in front of our car Sunday evening as we took a ride around Lake Tahoe. My "speed" which makes for laughs among my friends was such that the little one pulled itself up, gave me a look and went bounding back into the beseiged forest.

Ice Lakes, Cedars and Palisades members stay on in their private reserves hoping to bag a buck before the season is o'er. Wabena Creek, we are told by a game warden, was a hunter's paradise openings morning. No reports from the Lola Montez area as yet but the trail leading into the Lolas was dotted with red—we noted as we raked our yard all tied up in a red bandana, red tie and red gloves.

Bob Allen of Soda Springs bagged his first buck in years and was doubly elated for he learned he had become a grandpa. Daughter Arlene brought a boy to the family. Also born opening day was another who made Ed and Betty Fisher of Donner Summit Lodge grandparents when their daughter in Minden, Nev., had a baby girl.

We had our first seasonal "buck stew" at Beacon Hill Lodge which exploded the "too many cooks" theory. Many hungry hunters, Jean Moriano, plus employees, all contributed and the outcome was sheer wizardry, with no one able to give us the recipe.

Boyne Mountain Lodge Inc. sent their representative from Boyne Falls, Mich., to load the old lift from the Sugar Bowl hills and see it on its way to Tennessee where it will serve as a sight seeing vehicle.

Charlie Secco toils as a new parking area is born, a garage with an apartment over rears itself up to make another change in the Soda Springs skyline. Elsa Secco cuts herself in half, living in San Francisco with her children while they school and with Charlie betimes while he builds and toils. She is here at present.

B&B outfits, signal gangs, paint crews—all part of Southern Pacific maintenance operations—has many employees with much seniority. Repeatedly shifted to the hill in the summer to repair the ravages of our Sierra winters, these men become fast friends of the mountain folks and practically another city is added to Soda Springs population each summer. It is with regret we see these outfits move down the hill as the first nips of fall turn the leaves—Stone's steel gang with Whitey, Mike, Joe; Alabam McCardle's signal crew with Leo, Floyd, Ray and Ralph; Barney Moore's paint gang with Mrs. Barney, Clyde, Nils. So comes the end of parties and barbecues for our summer city, which leaves us to prepare for the winter before us.

To wind things up, we report that John Carl's bandaged hand, severely cut with a table saw, is on its way to mending.

YOUNG MATRONS ENJOY "NIGHT OUT"

TAHOE CITY— A group of the younger married set enjoyed an evening out Saturday last when they dined at a north end resort and visited the various establishments. The party included Mesdames Violet Pomin, Patti Scott, Beccy Shontz, Bernie Bechdolt, Patty Marsh and Merilyn Burnham. Mrs. Marsh is a sister of Mrs. Bechdolt and with her children is visiting here from their Pasadena home. The group finished up the party with bacon and eggs at an early hour in the home of the Bechdolt. (es)

New word for GETAWAY } "TT" DYNAFLOW*!
WORLD'S ONLY V8 VERTICAL VALVE

The 1953 Buick Super Riviera. Wire wheel covers, illustrated, optional at extra cost.
We'll get right to the point.
The comments we've been getting from many new Buick owners about the new Twin-Turbine Dynaflow are terrific.
And the reason is—this fully automatic transmission is, in itself, terrific.
It has a new, firm, solid "take-hold"—gives you instant getaway response.
It has new quiet—you can barely hear the acceleration build-up.
It has unique and utter simplicity of operation. You just move your Selector into Drive range, press the pedal, and go. That's all.
But the sweetest thing of all about TT Dynaflow is its smoothness.
You move from standstill to your legal speed in one progressive build-up of power delivery.
You feel a constant "carry" of forward motion, unbroken in any way—because here no gearshifting takes place, either manually or automatically.
Even your deceleration is infinitely smooth and gradual, with the cushioned control of flowing oil slowing down.
Wouldn't you like to sample this wonderful new getaway and pleasant quiet and immaculate smoothness?
We'll be glad to seat you at the wheel of a new 1953 Buick with Twin-Turbine Dynaflow—and let the thrills come where they may. Drop in soon, won't you?

SEVERAL ACTIVITIES AT LOCAL CHURCHES

Mrs. Ruth Gordon reported on her trip to the Missionary Conference at Asilomar during the regular worship service at the Truckee Community Methodist Church last Sunday morning. She told of the work being done in foreign fields and among migrant peoples in California. Principals and several teachers of both local schools were in attendance.

Church School next Sunday will be at 9:45 with Eugene Risden bringing the message during the 11 a.m. worship service. Next Sunday is Rally Day.

Rev. S. C. Winston will preach at the 11 a.m. service in Kings Beach Sunday. Church School will be at 10.

The Wee Kirk o' the Pines will serve a "Birthday Dinner" at the Community Methodist Church Friday at 6 p.m. Tables will be arranged for the birthdate month of guests. There will be a nominal charge for diners.

Rev. Winston will be in Denver, Colorado, to attend the Methodist Federation for Social Action and the 7:30 p.m. worship service in the Truckee church September 27 will be conducted by members of the congregation.

Miss JoAnn Allen was elected president of the Youth Fellowship group of the Community Methodist Church during a meeting held September 17. The young people meet in the Truckee church each Sunday at 6:30 p.m.

NOTICE TO BIDDERS

Notice is hereby biven that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the Office of the Superintendent, Truckee California, on or before, but no later than Tuesday, October 13, 1953 at 5 p.m. for a contract to furnish transportation for school children from Hobart Mills to the Truckee Elementary School and Tahoe-Truckee High School in accordance with specifications on file in the office of the Superintendent of Schools.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the contract offered.

Bidders are required to furnish bond, or certified check in an amount equal to ten per cent (10%) of the total bid.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

WOMEN'S CLUB FETES FOUNDERS AT TAHOE INN

TAHOE CITY— The Women's Club of Tahoe held a Founders' Day luncheon at Tahoe Inn last Thursday, with Manager William Bechdolt lending his dining room to the club for the affair. Forty members and guests were present. Orchid corsages were presented to the 11 founders present. These included Mesdames Matt Green, Ann Anderson, Evelyn Bliss, Janet Watson, Alice Bechdolt, Rose Boyiaredes, Ethel Vernon, Ruth Mayfield, Stella Watson, Northrup Pomin and Ida Simmonds.

A large birthday cake decorated and inscribed with 1927 to 1953 was cut by Mrs. Green, the club's first president. Mrs. F. B. Sederberg played several "old time" selections on the piano as the guests sang the chorus. Mrs. Louise Geier and Mrs. Stella Watson were cohostesses and decorated the tables with flowers from local gardens.

The food sale held Saturday in The Village Store netted the club $55.

ROTARIANS TOLD OF COACH'S JOB AT HARVARD U.

TAHOE CITY— William T. Reid of Brookline, Mass., told of his experiences as football coach at Harvard university at the meeting of the Tahoe City Rotary Club Tuesday in Tahoe Inn. Howard Guth presided nad Fred Kilner introduced the speaker. Fourteen visiting Rotarians were present.

Reid first came to Lake Tahoe in 1905 with his parents, the family spending the summers at Tahoe Pines. He related the many changes in the rules and tactics in football since the beginning of the century.

Guth said that the meeting hour will be at 7:15 p.m. Tuesdays until further notice, at Tahoe Inn.

WEATHER DATA AT LAKE GIVEN

TAHOE CITY— A. E. Frodenberg reported the lake level on Monday morning was 6228.38 feet above sea level with three gates open. Daily high and low temperatures were Sept. 14th: 72, 44; 15th: 67, 44; 16th: 69, 41; 17th: 69, 41; 18th: 71, 38; 19th: 70, 38; 20th: 73, 40; 21st: low 38. On the morning of the 16th the precipitation gauge showed .12 of an inch had fallen in the previous 24 hours.

WATER SKI MARK IS BELIEVED SET BY ARIZONA MAN

TAHOE CITY— What may be an endurance record in water skiing at Lake Tahoe was set recently by 27-year-old George Hamilton of Phoenix, Arizona. A graduate student in engineering, he is six feet tall and weighs around 195 pounds. He is employed at Sunnyside Resort and this was his first summer of water skiing. He was tutored by Jim Brehler and Bill Briner, Sunnyside instructors.

Ralph Sears, owner of Sunnyside Lodge, with five guests aboard, towed the young man approximately 55 miles without stop or relaxation. They first cut across the lake to Glenbrook, a distance of about 14 miles, then circled the entire north shoreline of Tahoe—past Agate Bay, Cal-Neva, Carnelian Bay, Tahoe City and back to Sunnyside non-stop. The trip consumed about 2½ hours and, although Hamilton's legs were quite stiff and sore, he apparently suffered no ill effects from his long ride.

Earlier in the season another protege of the water skiing school at Sunnyside, Bill Evans, 19 year old Stanford student, rode the waves from Sunnyside to Emerald Bay and back without stopping, a feat which probably tempted Hamilton to try the longer waterwalk early this month. (es)

Summer Folks Leave

Summer residents are leaving Lake Tahoe this week for various destinations, including Mr. and Mrs. Victor Wikander of Tahoe City who have gone to Oakland; Bea Sisk, also Tahoe City, left for Berkeley. The Bert Scotts have returned to Piedmont, Mrs. Wm. Reinhardt of Brockway returned this week to San Marino, Mr. and Mrs. John Reiter of Tahoma are now in Sparks, Nev., and Mr. and Mrs. Don Huff of Homewood have gone to their ranch at Woodland.

T.B. Group Meeting

A meeting of the board of directors of the Placer County Tuberculosis and Health Association will be held in the basement of the Methodist Church, 6th and I Sts., in Lincoln on Wednesday evening, September 30, at 8 o'clock. All doctors, nurses and others interested are invited to attend. Refreshments will be served.

OAKLAND WOMAN DIES SUDDENLY AT CARNELIAN BAY

CARNELIAN BAY— Mrs. Elizabeth Mary Glasky, wife of John Francis Glasky of Oakland, died suddenly early Tuesday morning at Carnelian Bay. The couple had arrived here Monday evening to spend a few days vacationing.

The Truckee Colonial Mortuary completed arrangements for sending the body by airplane to Oakland, where last rites were held.

Beside her husband, Mrs. Glasky is survived by a son, Rev. Father John J. Glasky of Stockton.

What would happen after you struck oil?

This? Anyone who's ever owned a piece of property has day-dreamed about striking oil. It could happen—and if it did, what next? Do you go shopping for yachts? Not if you want to develop your well into an oil field by yourself. You'd have to stake your commodore's hat and plenty more to build up a producing field. It's a tough and risky job even for Standard Oil Company of California. Only one wildcat well out of every 44 ever develops into a commercial oil field . . . and the cost of finding out can run into millions of dollars. Standard is able to do this because it is owned by more than 115,000 shareholders, each of whom bears part of the cost. Both small and large companies are essential to the oil business, but companies like Standard bring together the money, manpower and skill required to find and build up a big oil field. In developing one field Standard invested years of time and millions of dollars in drilling, production, construction, maintenance teams—and the work is still going on. Indeed, your dream-well could lead to a yacht . . .

But first, here's part of the bill for bringing an oil field into production. It's a good example of how a big oil company works for you. Over the years, Standard has invested in more than 200 such fields to bring you the oil you need. *Questions or comments about our Company are welcome. Write: Standard Oil Company of California, P. O. Box 3495-D, San Francisco, California.*

plans ahead to serve you better

BPWC CONVENTION HELD RECENTLY AT MAY-AH-MEE LODGE

TAHOMA— The fall conference of the Capital District, Business and Professional Women's Clubs, was held at May-Ah-Mee Lodge at Tahoma, Lake Tahoe, September 12 and 13. Roseville, Lincoln and Colusa BPWC groups were hostesses.

There were 137 women attending from clubs in Placer, El Dorado, Nevada, Colusa, Sacramento, Yolo and Butte Counties. It was presided over by President Henrietta Toothaker of Woodland. The general chairman of the conferend was Norma Barnard of Roseville, assisted by Marie Hall of Lincoln, Daisy Proctor of Colusa and Leone McBrayer, Roseville.

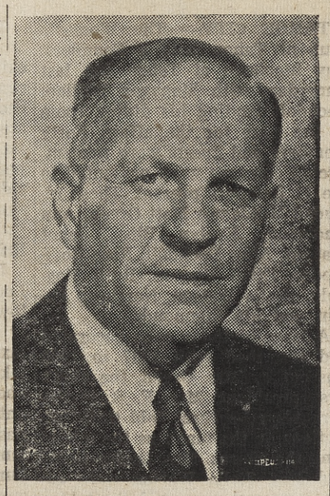

The theme of the conference was "To Build Prosperity for Freedom." The keynote speaker was Gladys Anne Sherrin of Visalia, second vice president of the state BPWC. Her talk dealt with woman's place in the business world and how she could strive to better it. It also dealt with some legislation important to working women.

Club problems and policies were discussed under the leadership of other leaders. On the social side were several get-togethers over meals at the lodge. The Colusa club provided afternoon tea and the other club provided entertainment for all.

The management of the lodge was very hospitable and made all efforts to make the stay a pleasant one. The Sky-High Gold Cup boat races and all other extra events Tahoe had to offer were enjoyed.

The winter conference of the BPWC will be held in Placerville in January.

Knight Candidate for Governor As Warren Declines to Run

Lieut. Gov. Goodwin J. Knight who last week formally announced he will be candidate for governor next year, following the declaration of Governor Earl Warren that the latter would not be a candidate for a fourth term.

Lieutenant Governor Goodwin J. Knight, who recently was a speaker at Lake Tahoe and is widely known through the Truckee-Tahoe area, will be a candidate for governor of California next year. His statement, issued last weekend, declared:

"I definitely will be a candidate for Governor of California at the June 1954 primaries. . . .

"My first objective will be to win the Republican nomination. I am a registered Republican and have been all my adult life.

"Because a great number of my Democratic friends tell me that they wish to support me, I shall seek the Democratic nomination. . . . If I am elected governor, I naturally will try to be a good governor for all the people, not just some of them.

"The governor has announced that he will not seek a fourth term. His decision has prompted me to make it plain that I am going to be a candidate for the highest office within the gift of the people of California, unconditionally and without reservation.

"During the coming months I shall make clear my position on all important issues confronting our fast-growing state. . .

"I have served California as superior court judge and lieutenant governor to the best of my ability. My activities are 'on the record' and I believe will lead to my nomination and election as governor, a position which to me represents, more than anything else, a still greater opportunity to serve the people of my state.

"I can assure . . . all of California's diversified interests that I shall always lend a sympathetic ear to their problems and, with Divine guidance, I shall strive to build a better commonwealth for this and succeeding generations."

Knight in 1950, when he ran for re-election to his present office as nominee of both the Republican and Democratic parties, polled 3,075,000 votes, more than any other state office candidate ever rolled up anywhere.

During his two terms as lieutenant governor, Knight, according to Sacramento sources, has served as acting governor during the absence of Governor Earl Warren for one year and 55 days, aside from performing the regular duties of his own office.

An early start on a vigorous personal campaign by Knight was marked by nearly 30 public appearances in the last two weeks of September, making as many as three in some days, and ranging over the state from Forest Lake in Lake County to San Diego.

The largest settlement of Chinese outside China is San Francisco's Chinatown.

PINE PRODUCTION IS WELL AHEAD OF 1952 FIGURE

SAN FRANCISCO— Production of pine lumber for the year to date shows an increase of nine per cent over the preceding year, the Western Pine Association reported this week. Production for the week ended September 5 totaled 65,889,000 feet, however, compared to 66,818,000 feet for the previous week.

The report, based on figures supplied the association by 89 producers, covers ponderosa, sugar and Idaho white pine and associated species.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF NEVADA No. 10502

Rose Harrigan, Plaintiff,
-vs.-
J. L. Hallaran, also known as J. L. Hallran, and ALSO All Persons Unknown, claiming any right, title estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

SUMMONS

The People of the State of California Send Greetings To:

J. L. Hallaran, also known as J. L. Hallran, and ALSO ALL Persons Unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

You and each of you are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Nevada, within ten days after the service on you of this summons, if served within this County, or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract or will apply to the court for any other relief demanded in the complaint.

The object of this action is to make the above mentioned defendants set forth the nature of their claim or claims to the real property in the complaint and hereinafter described, if any they have, and that such claim or claims be adjudged to be of no effect and void, and the plaintiff's title to the same be quieted against them.

That said real property is all that certain lot, piece or parcel of land situate, lying and being in the County of Nevada, State of California, described as follows, to wit:

That certain lot situated in South Truckee, on the south side of River Avenue West, described as follows:

Commencing at the north east corner of the lot, from which a 1½ inch pipe at the corner of River Avenue West and Bridge Street bears N. 26°29' E. 175.02 feet and the ¼ section corner on the east side of Section 15, Township 17 North, Range 16 East, Mount Diablo Base and Meridian bears S. 39°12' E. 1693.33 feet. Thence:

1. S. 22°58' E. 143.00 feet to the southeast corner of the lot
2. S. 64°04' W. 140.00 feet to the south west corner, identical with the SE corner of the Moretta Lot
3. N. 22°58' W. 143.00 feet to an iron pipe on River Avenue West
4. N. 64°04' E. 140.00 feet along River Avenue West to the place of beginning, and containing 0.46 of an acre, more or less.

GIVEN under my hand and the seal of the Superior Court of the State of California, in and for the said County of Nevada, this 17th day of June, 1953.

R. E. DEEBLE, Clerk
By JACK K. HANSEN, Deputy County Clerk. ag6-s24

SUPPLEMENTAL PROCEEDINGS OF THE BOARD OF SUPERVISORS FOR THE MONTH OF SEPTEMBER

September 8, 1953

Special Meeting

A special meeting was called at 4:15 P.M. and there were present Supervisors Curtis R. Clark, John L. Frank and J. C. Couglan. Supervisors Guy N. Robinson and H. G. Loehr were absent. Supervisor Clark acted as chairman.

The Board approved the bond of Hesla Roofing Company and authorized the Chairman to sign the same.

The Board authorized the Purchasing Agent to take for his use a chest of drawers no longer needed in the County Superintendent of School's office.

Adjourned at 4:25 P.M.

September 16, 1953

The adjourned meeting was called at 10:00 o'clock A.M. with all members present. The minutes of the meetings of September 1 and September 8 were adopted as read by the Clerk.

The Board awarded the sale of $175,000.00 Tax Anticipation Note to the Bank of America..

By mutual agreement the Hospital Roofing Contract was rescinded and the Purchasing Agent was authorized to have the roof repaired at days labor.

The Board authorized the transfer of money when the proceeds of the Tax Anticipation Note is received into the treasury.

An explanation of the advantages of the installation of a PBX board was given the Board by a representative of the Pacific Telephone & Telegraph Company. The Chairman requested the Board members to give this matter further study for further discussion at a later meeting.

Warrant No. 4280 for $30.00 was approved and allowed.

The Clerk was instructed to reply to a letter from the Pacific Gas & Electric Company informing that company that no funds were appropriated in the 1953-54 budget to replace a bridge over Bear River near Dutch Flat, California.

The Board authorized a deed to a piece of ground in Forest Springs to clear up a cloud in the title to ground on which the Forest Springs School is situated.

The Board authorized the purchase of a Chevrolet Station Wagon for use by the Agricultural Extension Service for the cash price of $2061.44 plus $61.84 sales tax.

The maximum sum of $80.00 per month was fixed for care of Wards of the Juvenile Court in foster homes.

No opposition appearing, the Board adopted a resolution to include new territory in the Truckee Fire District.

Adjourned sine die at 2:50 P.M.

R. E. DEEBLE
County Clerk and Ex-Officio Clerk of the Board of Supervisors.

There were 10,500 card holders of record in the San Francisco public library in 1881.

GLOBIN GRANTED MORE WATER FOR AL TAHOE AREA

AL TAHOE— A six-year fight to obtain enough water so that the south end of Lake Tahoe can expand was won by Frank Globin, south-lake resort operator and the owner of a water company serving a large section of the area. He announced plans immediately to spend around $150,000 to improve his water system.

Victory came during a hearing of his six-year-old application befofre L. C. Jopson, acting as examiner for the state engineer of the division of water resources.

Grant is Given

An irrevocable grant of 2.7 cubic feet of water a second was given Globin by William Orrick, representing the Sierra Pacific Power Company, the Washoe County Water Conservation District and the Truckee-Carson Irrigation District. These three agencies hold all unapporpriated water resources in the Tahoe watershed under federal court decrees dating back to the 19th century.

Globin and his hydraulic engineer, G. F. Mellin, maintain during the hearing that the population of the area has increased 600 per cent since the original application was filed in 1947 and the water company could not safely accept the application of any more residents for domestic water. The company now serves 10,000 residents during the summer season, Globin said.

In fact, Mellin said, if two fires broke out at the same time in the south shore area, two fire engine pumpers would exhaust every bit of the 1000-gallon-per-minute capacity of the 10-inch main line that supplies the water system.

Globin holds riparian rights to 1.6 cubic feet of water per second under terms of the deed to the Al Tahoe resort which he bought in 1924. At that time he supplied one other resort at Bijou Pines and 27 residents. Now his water company serves a total of approximately ten thousand from his diversion dam on Gold Creek, a spring-fed stream which flows into Lake Tahoe.

Now, with the grant of enough water to give him 4.5 cubic feet per second, Globin said he will immediately sell bonds of $150,000 to enlarge his water company sufficiently to supply water for the 35,000 persons he expects to be early residents of the south shore area.

He said he has spent $35,000 in the past year improving the water company to its maximum capacity under present water limitations. He values the entire plant at $223,000.

Not so fortunate was Mrs. Stella Johnson, neighbor of Globin, who applied in 1945 for 2.5 cubic second feet of irrigation water from old Creek in addition to the riparian rights of 1.8 cubic second feet she holds for some 200 acres of agricultural land on which she wants to install a golf course.

Her request has at least two more months to go before a decision will be made on it. And state policy in the past would indicate that her chances of getting the water are slim. All three agencies holding primary water rights in the area are adamantly opposed to granting more water for irrigation because of the heavy loss by evaporation.

The companies, which supply water for irrigation and power on the eastern slope of the Sierra, say that, under decisions of the federal courts, they must deliver 500 cubic second feet to a counting station on the Truckee River near the California-Nevada border, and they cannot do it if the water is allowed to evaporate away in irrigation operations.

Spokesmen say they lose more water now through evaporation off Lake Tahoe than they deliver to the counting station.

Frequent Delays

The three companies expect to file briefs that are due November 1 and answers will take another 20 days before the examiner will take the cause to the state water resources board for final decision.

The applications have been held up the past six and eight years because of various delays caused by illnesses and surveys and recheck surveys to determine whether Cold Creek could supply any more water than is now being used.

WYLIES TO RETIRE AFTER 24 YEARS AT ZEPHYR COVE

ZEPHYR COVE— When the "season" ends in a few days, Mr. and Mrs. Charles F. Wylie, who have operated the Zephyr Cove Beach resort at the south end of Lake Tahoe in Nevada for 24 years, will retire, it was revealed by them last weekend.

Who will take over the lease of the popular resort, which is owned by the Whittell interests, has not been disclosed.

Small Beginning

Twenty-four years ago, when the present highway at Zephyr Cove was close to the lakeshore, Mr. and Mrs. Wylie took over a small store and a few cabins that had been erected there a year previously and leasted the property from the Mills Estate, which had extensive lakeshore holdings. About 1936 Zephyr Cove property and other Lake Tahoe property were purchased by the Whittell interests and the Wylies continued the development of the resort under lease. The highway was moved back from the lakeshore and an extensive building program including many cabins, a small hotel which housed a store, bar and dining room, an enlarged pier and other facilities were constructed.

The post office is in the hotel and Mrs. Wylie has been the postmaster for 24 years, serving under a Republican administration, a Democratic administration for 20 years and again a Republican administration. She has resigned as postmaster and the place will be filled in due course.

President and Mrs. Herbert Hoover were guests at Zephyr Cove for a few days when Ogden Mills, one of the owners of the property, was secretary of treasury. There have been many notables at the resort in the quarter century since it was first established.

Often Year 'Round

For several years the Wylies lived there both summer and winter and on a few occasions it was necessary for Wylie to ski to Carson City during the winter on business. That was before the present Clear Creek road was completed.

"It has been a wonderful 24 years," Mrs. Wylie said Friday, "and we want to thank the fine people of Nevada and also many places in California who have been our patrons and our friends. We have had many interesting experiences, both winter and summer, but operating a resort is hard work and we feel that it is time to retire."

They expect to go to San Mateo where they have property interests about October 1 and after a rest may decide not to retire but to enter in business.

Ever See Dirt
Under a Microscope?

If you have ever looked at dirt under a microscope you would see, for the most part, tiny, odd-shaped stones with knife-like edges. This grit actually cuts into the fabric of your clothing and causes it to wear faster.

Regular and expert dry cleaning will remove these particles and keep your garments in shape for longer wear. Let us handle your dry cleaning needs. You will be pleased with our complete service.

NOTICE OF TIME AND PLACE OF TRUSTEE'S SALE OF REAL ESTATE UNDER DEED OF TRUST

NOTICE IS HEREBY GIVEN that on Friday, the 2d day of October, 1953, at the hour of 10:00 o'clock A.M. of said day, at the main entrance door of the County Court House in the City of Auburn, County of Placer, State of California, the undersigned, as substituted trustee, will sell at public auction to the highest and best bidder, for cash in lawful money of the United States of America, payable at the time of sale, all of the following described real property situate, lying and being in the County of Placer, State of California, particularly described as follows, to wit:

PARCEL 1: The North half of Section 4, Township 15 North, Range 16 East, M.D.B.&M., consisting of 309 acres.

PARCEL 2: The Southwest quarter of the Northeast quarter and the Northeast quarter of the Southwest quarter and the Northwest quarter of the Southeast quarter and the Southeast quarter of the Northwest quarter of Section 6, Township 15 North, Range 16 East, M.D.B.&M. consisting of 160 acres.

Said sale will be made to satisfy the obligations secured by and pursuant to the power of sale contained in that certain deed of trust dated the 30th day of June, 1950, recorded the 18th day of July, 1950, in the Office of the County Recorder, County of Placer, State of California, in Book 572, at Page 124, Official Records of said County of Placer, executed by ALTON A. JACK and ELLA E. JACK, husband and wife, as Trustors, to INTER-COUNTY TITLE CO., a Corporation, as Trustee, and to A. J. RUPLEY and FAY M. RUPLEY, husband and wife, as joint tenants, as Beneficiaries, and given to secure the payment of a certain promissory note of even date therewith in the principal sum of FORTY SEVEN THOUSAND FIVE HUNDRED DOLLARS ($47,500.00), payable to the said Beneficiaries, or order, and of all other and additional sums which might thereafter be loaned to the Trustors by said Beneficiaries or by the owner and holder of the promissory note secured by the said deed of trust.

The undersigned was substituted as Trustee in and under said deed of trust in the place and stead of INTER-COUNTY TITLE CO., a corporation, the Trustee therein named, by an instrument executed by FAY M. GUNBY, formerly FAY M. RUPLEY, the surviving beneficiary under said deed of trust, dated August 31, 1953, recorded September 4, 1953, in Book 635, at Page 308, Official Records of said County of Placer, to which said record reference is hereby made.

Notice of breach and election to sell under said deed of trust was recorded in the Office of the County of Placer, State of California, on March 12, 1953, in Book 624, at Page 527, Official Records of said County of Placer, to which said record reference is hereby made.

This notice is given in compliance with a demand heretofore made on the undersigned substituted trustee by the said FAY M. GUNBY, formerly FAY M. RUPLEY, the present owner and holder of said promissory note and trust deed.

Dated this 4th day of September, 1953. GEORGE B. MAUL

DERR HUNT SEASON OPENS WITH BANG IN TAHOE DISTRICT

TAHOE CITY— Red-capped and red-shirted men and women invaded the hills around Lake Tahoe last weekend for the opening of the 1953 deer hunting season.

Many hunting parties saw numerous does and fawns but the supply of bucks in this vicinity rated only "fair," according to many reports.

First man reported lost this season by members of his hunting party up Rubicon Road was Milton Smith of Los Angeles. Constable Harry Johanson of Tahoe City received a report that Smith had gone out Saturday morning around 8 a.m. and failed to return to camp that night. The constable was in the process of gathering a posse to hunt for him when the report was received in Truckee via the camp's transmitter that Smith returned on Sunday around noon and was all right.

Road is Lost

Another unluck trio had a slight misadventure Sunday when they brrwed the Jeep of Jay Shontz of Tahoe City to buzz up to Antone Meadows far a buck. They included Mrs. Merilyn Burnham of the Truckee River, Noel Porter and Maurice Ledoyen of Palo Alto. All became excited as a big buck and doe appeared in the distance and the trio set out to track the buck down. Before they were aware of it, the sun had set and night had fallen.

They made their way back to the Jeep but darkness prevented them from finding the rough road they had driven in on. They found themselves hedged in by fallen logs and trees. So, back to town they went—on foot. Monday Al Henry Jr. of Tahoe City Garage drove them in to find their vehicle and bring it out.

First man in with a buck at the William Kent Forest Service Station on opening day, Saturday, according to Ranger Hugh Nelson, was Richard Herman of Ojai, who shot a 130-pounds three pointer in the Ward Creek area. Others validated that day included the largest kill of the day, a four-pointer, approximately 165 pounds, shot near Twin Peaks by Ralph T. Kline of Woodland.

Others Have Luck

Ramon Bentz of Los Angeles got a forked horn, 120 pounds, north of Deer Park; Ernie Stender of Woodland a three-pointer in the Twin Peaks district. George Woodington, who was accompanied by his father Howard of Sacramento, and Marshall Ruhkala of Lake Forest, brought home a beautiful four pointer, weight around 170 pounds, from Plumas County where they hunted opening day. He shot the buck around six in the morning.

Mrs. Woodington and their three children visited at Tahoe with Mrs. Ruhkala while the men were gone.

Lincoln Dempsey of Lake Forest also had luck on opening day, bringing back a 140 pound forked horn, shot in the Bear Lake district.

Buck in the big walk in ice box at Village Store were both forked horns, weighing around 120 pounds apiece, shot by Walter L. Evans and R. H. Reed on opening day. Constable Johanson validated tags for two bucks opening day and three on Sunday. On Monday he validated tags for Archie Merjama of Los Angeles, who shot a 170 pound four-pointer, still in the velvet, up Blackwood Canyon, and one for A. Duralith of Sacramento, who shot a forked horn buck near Cold Stream.

Too Far Away

Up from Merced to hunt came Dick Loeschner Jr., brother of Mrs. James Baker of Tahoe City, accompanied by Fred Burger. They brought along two horses and made camp near Twin Peaks. While they saw deer, the bucks were all out of shooting range. Another Merced group included Mr. and Mrs. William Patterson. Mr. and Mrs. B. Robertson and Lee Robertson, who hunted in the Blackwood Creek area. The latter shot a four-pointer, which weighed in at around 150 pounds.

Ronnie Sanford and Jim Baker of Tahoe City were also members of the hunting party.

The only Tahoe man known to have shot a buck with bow and arrow, prior to the regular hunting season, was Warren C. Johnston of Glendale, son of Mr. and Mrs. M. O. Johnston of Sunnyside and Glendale. An expert archer who has bagged four deer, a bear and a cougar in the past four years with bow and arrow, he brought down a beautiful 200 pound forked horn at 50 yards near Elko, Nev. The arrow sped from his bow (with a 75 pounds pull) and entered the neck. The animal fell dead within a few yards. It was hung in the walk-in freezer at Sturgis' Tahoe Park Market until the family leaves for home.

At Shank's Cove

Jay Shontz of Tahoe City and Victor Marsh of Pasadena each got a forked horn in the Shank's Cove area of Hell Hole in the Tahoe bac kcountry. Other members of their party were Pete Vanni, Bob Pomin and Bill Bechdolt, all of Tahoe City. The boys went out on Friday and returned Monday night.

At William Kent Forest Service station Sunday tags were validated for Leroy Eddenfield of Sacramento, who got a 140-pound three pointer in Blackwood Canyon and Leon Hagerman of Merced, who killed a 140 pound three pointer up Ward Creek. On Monday one buck was validated at the station, for Roy M. Roberts of Hermosa Beach—a 120 pound forked horn killed at Twin Peaks. (es)

LAST RITES HELD FOR SOUTH LAKE JUDGE, LEADER

TAHOE VALLEY— This south Lake Tahoe community bade farewell to one of its leading citizens at the funeral rites Saturday for Judge John Samuel Lawson, 65, civic leader and Lake Valley justice of the peace since early 1952.

Services were held in the Lake Valley Presbyterian Church with an American Legion escort. Cremation followed.

Judge Lawson died at his home just two days after he celebrated his 65th birthdate. He was a native of Jersey City, N. J., and a veteran of World War I. During his military service he was in military intelligence, chiefly at Langley Field, Va., where he is reported to have been closed associated with Brig. Gen. Wm. (Billy) Mitchell in the general's demonstration of the effectiveness of air power.

Moving to North Sacramento in 1921, Lawson was a charter member of the Sacramento Aviation Club. Judge and Mrs. Lawson established Lawson's Lodge in Tahoe Valley in 1928. They sold the lodge last year.

Always active in civic affairs, Judge Lawson served two terms as commander of the local American Legion post and was a member of the Lake Tahoe Masonic Lodge.

Survivors are his wife, Elizabeth, sons Henry of Lake Tahoe and John S. J. of New York and five grandchildren.

Return to City—

The Lewis Marstens and family have closed their lakeshore home in the Sunnyside district and returned to their San Francisco residence for the winter months.

The main museum of the state division of mines is located in San Francisco's historic Ferry Building.

Water for brewing must have special qualities

WATER is such a commonplace item in your daily life that you may give very little thought to its taste or its content. In brewing beer, however, the type of water used is of the utmost importance, for the minerals contained in waters of some localities will greatly affect the flavor of the beverage. That's why the crystal pure water from Olympia's own artesian wells contributes so much to the distinguished character of Olympia Beer. This water . . . perfect for brewing . . . is perfect in taste. Its solvent properties extract the most delicate flavors from the hops and grains. Best of all, this rare water never varies, day after day—year in and year out. Try Olympia and enjoy its light, refreshing quality.

Visitors always welcome between 9:30 and 4:30 every day.

GOOD PLACE TO EAT!

Tahoe-Truckee School District News

TAHOE LAKE SCHOOL

3rd and 4th Grades: The Lake Tahoe Gold Cup races were enjoyed by most of the children of the class. Some the children have made "movie" slides to show the race. Jerry Grinstead and Joe Sheehan have shown some very exciting ones. These slides have also been used to tell of other experiences of the children. Pictures are drawn in sequence and then the children explain them to the class. Karen Grahn and Sharon Quinn have shown some interesting ones.

Congratulations to Vic Sartor, Binth Rustad, Sharon Quinn, Jerry Grinstead, Parky Bechdolt and Wayne Poulsen on their perfect spelling papers.

5th and 6th Grades: Class officers for the school year elected last week by grades 5 and 6 were Trent Giannini, president; Sherry Briner, vice president; Diane Speeter, secretary; Doug Ball, treasurer; Bill Conners, sergeant at arms.

Our room welcomes a new student, Bill Verner, who comes to us from Pennsylvania. This gives us an enrollment of 32 in our room.

We are working on numbers for a school assembly to be given on October 2. Dances, songs, readings and skits will be featured.

After successfully passing division and multipication combination tests our grades have begun work in the state arithmetic books. The following students had outstanding papers, with all 100 combinations correct: Trent Giannini, Jimmy Huega, Randy Pomin, Chris Poulsen, Ellen Rich, Doug Ball, Dean Barr, Sherry Briner, Roberta Bufford, Billy Conners, Jeff Davis, Judy Fanger, Gary Henry, Rolland Hill, Bobby Nichols, Jerry Prioste and Sherry Thatcher.

DONNER TRAIL SCHOOL

This week we took two trips down to the river and over to the meadow. We drew pictures of what we saw and discussed the scenery and various forms of trees seen.

In our science class we made an electro-magnet from some old scrap wire and a nail. We discussed the formed of stored electricity and showed by the heat action just how strong a small B battery is. Later in the season we will show many other types of experiments.

KINGS BEACH SCHOOL

Kindergarten, 1st Grade: We are sorry to have Jimmy DiPaola move to Palm Springs last Friday. Barney Hansbearry also moved away this week. The class will miss them both.

Darryl Lausche brought a tree toad and a centipede for our science table .Susan Graton brought a potato bug and Steven Felte found a grasshopper out in the school yard.

2nd and 3rd Grades: We were very sorry to hear Miss Baker was ill. During language arts period, class members wrote "get well" letters to Miss Baker.

Our class won the PTA money at this month's PTA meeting because we had the most parents present. We will keep the money until we get more, then we will buy a gift for our classroom.

Bobby Ford left our class Friday. He plans to attend school in Los Angeles.

In social studies we worked very hard on a map of "Our Home Town." Each child located where they live in Kings Beach and put their names on the spot. We are also studying about Mrs. Carol Howard, Kings Beach postmaster.

Kris Felte brought a baby lizard to school for our science exhibit. Larry Free and Lynn Chatwin contributed a centipede.

4th, 5th, 6th Grades: In physical education we had instruction in softball. Friday we had a game between two teams in our class. The game ended in a tie.

Diane Ogle came to our class and Mary Ann Doldani left this week. We have 31 in our class.

Reading groups have been formed and everyone is progressing rapidly. An interesting feature of our reading class is our our own free reading period each Friday. Our library has many interesting and exciting books.

TRUCKEE ELEMENTARY

Kindergarten: Each day this week we dramatized a rhyme, song or story. Each character was portrayed by a member of the class. They most enjoyed playing "Old Mother Hubbard." The part of the "bone" was played by Bruce Ryason who crept out the back door of the "cupboard" (Charles Hintz) on the arrival of "Mother Hubbard" (Karen Walker) and the "dog" (John Teall).

This week we added as new members to our class Casey McKinley, Robert Sherwood and Larry Digesti. This brings our enrollment to 31.

3rd Grade: The new year has produced 32 pupils who are enrolled in the class. We welcomed Eddie Eaton, Catherine Carlson, Robert Stone, Gail Johnson, Buzz Drewry and George Hendrix.

4th Grade: We made science books and illustrated them with real cones, pictures of squirrels and trees we are studying. Stories we wrote were also included about trees. Committees are busy finding facts and materials for the stories. Interest has been shown in the lava and other types of volcanic rock found here. We have learned much about volcanoes.

6th Grade: After a serious discussion about the need of caring for our teeth, many of us decided to bring a spare toothbrush and toothpaste to keep at school so we may clean our teeth after lunch or after eating something during the day. A majority of the class is now doing this.

Monday we went to the Community Center Library at the High School where Miss Lawrence, the librarian, told us how to use the card catalog and check out books. Mr. Kishbaugh is going to take us back to the library in two weeks so that we may return the books and perhaps obtain others. We are going to keep a record of the books we read during the year. "Bucky" Cadjew has told us about two interesting books he read recently.

Our scoial studies unit is very interesting, especially since we have received a new set of encyclopedias.

Boy's Birthdate—

Joe, son of Mr. and Mrs. T. F. Sheehan on Tahoe City, celebrated his birthdate on Tuesday of this week, the event being observed with gifts and a special cake.

POWER PLANT

The world's largest power plant, with a rated capacity of almost two million kilowatts, is situated at the base of Grand Coulee Dam in central Washington.

Meets at call of Chairman W. M. Englehart.

TAHOE CHAMBER ELECTION MEET SLATED TUESDAY

TAHOE CITY— An election luncheon of the Lake Tahoe-Sierra Chamber of Commerce will be held Tuesday, September 29, at 12:30 p.m. at Cal-Vada Lodge, Crystal Bay.

In accordance with chamber bylaws, the nominating committee proposes the following candidates for chamber officers:

Fred Main, Tahoe City, for president; Norman Celio, Tahoe Valley, vice president; David Gilmore, Kings Beach, secretary; Robert Snyder, Lake Forest. All but Snyder are incumbents.

In addition, the nominators recommend the election of five of the following as directors:

C. B. Bull, Stateline; C. W. Vernon, Tahoe City; Joseph Lamatrice, Stateline; Jeannette Mtichell, Sunnyside; Kenneth Amundsen, Bijou; Clara Sanford, Homewood; Thomas Armstrong, Bijou. The nominating committee also recommended the appointment of William Jenkinson of Tahoe City to fill an unexpired hold over vacancy on the board of directors.

JUDGE'S LAWN WEDDING SITE AT NORTH LAKE

KINGS BEACH— A delightful wedding was solemnized Monday, September 21, when Lawrence Norman Campbell of Loomis and Lois Alma Swanson of St. Paul, Minn., took the vows. The ceremony took place on the lawn of Judge and Mrs. Harry Charrison's home at Kings Beach. Sophie C. Miedema and Beverley Williams were the witnesses.

The bride was very beautiful in rose with white trim, with a bouquet of red roses. Following the ceremony, which was performed by Judge Charrison, luncheon was served for the happy couple and guests by Mrs. Charrison.

The interior of the house was beautifully decorated with roses and honeysuckle presented by Mrs. George Lothrop of Reno.

After the luncheon, the bride and groom left for St. Paul, the home of the bride's parents, Mr. and Mrs. George Swanson, where they will spend their honeymoon before returning to their home in California.

My Place In the Sun

by DOUG BARRETT

Capt. George Peterkin of the highway patrol was up this week from Roseville.....seems he was in Goodfellows' Coffee Shop talking over the awesome August death toll on local highways with Reg Smart.....both were somewhat critical of the failure of the legislature to provide more funds for more highway patrolmen.....an attractive little lady, after they were through talking, expressed interest in their remarks.....and presented her card.....she is Mrs. Pauline Davis of Portola.....and, incidentally, a member of the state assembly.....Dr. J. J. O'Neill refereeing a game of touch football on the green at Gateway Motel between two groups of neighborhood youngsters.....When Mr. and Mrs. Frank Wilson, parents of our Judge Fosten Wilson, were over from the county seat Tuesday..... to let the former attend a special meeting of Donner Lodge 162, IOOF.....it served as a reminder that Frank has been a member of that order for nearly 54 years..... Dorothy Rose tells us that her brother, Kenneth Snider.....recently back from Africa.....is now stationed at Albany, Ga., with the Air Force.....Ralph Daniels answered Willie Curran's SOS.....when the latter got swamped with deer storage clients on opening day of the season Saturday.....at Curran's ice house on west Main Street.....Over the weekend "Slim" Ellert validated nearly 60 tags at the sport shop in Cabona's store.....and he said he turned down several whose deer were parked too far from his store counter.....Jimmy Leamon, once local but now a guest warden, reported he and a companion warden validated 78 Sunday.....just in the vicinity of the Dog Valley road.....Among the local nimrods to bet their buck opening day was Harry Barnes of Gateway Garage.....but it did not make Harry overjoyed.....spoiled his hunting for the rest of the season.....

Are You a Sierra Sunscriber?

TRADE WINDS IS REMAINING OPEN

KINGS BEACH— Joe Ross' Trade Winds, popular cafe in Kings Beach, is remaining open between 5 p.m. and 1 a.m. during the first fall months, catering to an increasing number of patrons. The Trade Winds is featuring, as usual, Cantonese dishes and Hawaiian, as well as the usual popular American drinks. Dinners are also prepared to take out.

ARE YOU A SUNSCRIBER?

Besio Guests—
Mr. and Mrs. Tony Besio and family of Modesto and Mr. and Mrs. Clair Goode and children, Denver and Linda, of Woodland visited Mrs. Steve Besio during the first days of deer hunting. Linda also observed her birthdate Sunday while visiting her grandmother. Tony Besio was among those bagging a buck on opening day.

Attends Meeting—
C. Edmunds is attending a meeting of the Lahontan District Pollution Board at Bishop this week.

Today is the Day—
Linda, daughter of Mr. and Mrs. Walter Loynd, is enjoying her birthdate today.

John Firpo Feted—
John Firpo was feted on his birthdate at the home of his parents, Mr. and Mrs. I. Firpo, Sunday, September 20.

Here from Riverside—
Mr. and Mrs. Lester Braasch entertained Mr. and Mrs. J. J. Grisham and sons, Jim and Paul, of Riverside last weekend.

Theater Party—
Arlene Copeland celebrated her birthdate Sunday, September 20, with a group of her young friends at a Donner Theater party here.

ADULT CLASSES MAY BE FORMED AT SCHOOL HERE

The Tahoe-Truckee High School is anxious to offer adult courses which will meet the needs of the community. To establish such classes, it is necessary to have at least 15 interested adults sign up for each course given and an average attendance must be maintained, E. V. O'Rourke, district superintendent, announced.

Those persons interested in any of the classes listed below should place a check beside the course in which he is interested and send it to the high school as soon as possible.

Possible classes are as follows:
Typing; Bookkeeping; Art.....; Leathercraft; Shorthand.....; Welding; Sewing; Woodshop; Spanish; General Math; English; English for the Foreign Born

Persons interested in adult education classes should watch this paper for possible starting dates.

ORVAL VAUGHAN SPEAKS AT MEET OF ROTARY CLUB

Truckee Rotarians heard Orval Vaughan, inspector in charge of the local quarantine station, explain the purpose of plant quarantine enforcement in California at Monday night's meeting at Donner Lake Lodge.

California is blessed with natural boundaries and west to east prevailing winds, making it almost impossible for insects to enter the state except by avenues of commerce, Vaughan explained.

The advantages of farmers growing commercial agricultural crops in this state over other states was pointed out by the fact that California does not have to contend with the cotton boll weevil, corn borer, Japanese beetle, apple maggot, Colorado potato beetle and other insect pests which do tremendous damage in other sections.

Vaughan expressed his appreciation for the excellent cooperation the station receives from the local people. He said, "Even though we can point out the justification of our border stations, we realize that ours presents a certain amount of inconvenience to locals who must pass through many times a day."

Johnnie Richards presided over the meeting with George Bergen acting as program chairman. Visiting Rotarian was Denis Sach of Tahoe City and two guests included Ralph Frank Sr. of North Carolina and Rhodes Grimshaw of Auburn.

Visit Kishbaughs—
Mr. and Mrs. Raymond Crosby of Mountain View are guests at the Lynn Kishbaugh home here.

Rally Day—
At 9:45 a.m. Sunday, Rally Day will be observed at the Community Methodist Church. A program will be presented by the children of the Church School and parents and friends are invited to attend.

Neighborhood Party—
Mrs. Robert Chaney was hostess to neighborhood friends of their son, Dennis, Wednesday afternoon on the occasion of his birthdate. The children played games after school and the honoree opened gifts before he cut his cake.

Meets Friends—
Mrs. Bertha Ericke of Long Beach will visit Mr. and Mrs. Oscar Schumacher, the women planning to attend the annual Paradise festival. Mrs. Schumacher saw Myron Young of Fresno and his father, George Young, of Princeton last week at her Paradise place. The younger Young is a former Truckee resident and told Mrs. Schumacher of the recent arrival of a boy in his family.

LAUNDROMAT WILL CLOSE FOR DAY

Alvah Hooper has announced the Laundromat at Gateway Park will be closed from noon Saturday until Monday morning, while he and Mrs. Hooper attend a benefit affair at Grass Valley for Protective Engine Company No. 1 of the Grass Valley Fire Department.

At Donner Lake—
Mr. and Mrs. Merl Coburn of Loomis spent the weekend at their Donner Lake home, where they enjoyed some deer hunting. Their guests included Mr. and Mrs. Marvin Coburn and family of San Mateo, Mrs. Lena Dias and Bill Sheehan.

The LAUNDROMAT
at Gateway Park Shopping Center
WILL BE CLOSED FROM

WHERE POWER COUNTS
SHOOT REMINGTON BIG GAME CARTRIDGES
For hard-to-stop game such as grizzly bear and moose experienced big game hunters prefer the heavy, hard hitting types of Remington cartridges with "Core-Lokt" bullets that assure maximum shocking and stopping power.
The "Core-Lokt" bullet is made with jacket and core locked together. This keeps the bullet in one piece, no matter what it hits! Because of this special design, the "Core-Lokt" bullet penetrates, then mushrooms. Mushrooming is uniform, often reaches double normal caliber.
REMINGTON CARTRIDGE WITH POINTED SOFT POINT "CORE-LOKT"
REMINGTON CARTRIDGE WITH SOFT POINT "CORE-LOKT"
REMINGTON CARTRIDGE WITH MUSHROOM "CORE-LOKT"
REMINGTON CARTRIDGE WITH BRONZE POINT
For long range and maximum penetration shoot these sharp pointed, expanding bullets.

Tarzan

by EDGAR RICE BURROUGHS

WILD-EYED, FRANTIC NATIVES SWARMED OVER THE APE-MAN. HE RETALIATED SAVAGELY, BUT WAS BROUGHT DOWN BY THE SHEER WEIGHT OF NUMBERS.

SUDDENLY, HOWEVER, A NEW FIGURE APPEARED. HE SPOKE WITH AN AUTHORITATIVE VOICE THAT CARRIED OVER THE DIN OF BATTLE--"STOP! HELP THAT MAN TO RECOVER!"

PRESENTLY THE NATIVES WERE ALL SEATED NEAR TARZAN, AND THEIR LEADER, KOMA. REFRESHMENTS WERE SERVED, BUT THE AIR WAS FILLED WITH TENSION.

"FORGIVE US, BWANA, BUT MY PEOPLE HAVE BEEN DISTRAUGHT, AFTER--" KOMA SHUDDERED. "THE ATTACK ON YOUR VILLAGE," PROMPTED TARZAN. "CAN YOU TELL ME--?"

KOMA SIGHED. "YES... I WAS ON SENTRY DUTY LAST NIGHT. I STOOD ON THE LOOKOUT PLATFORM, PLEASED BECAUSE THE JUNGLE WAS PEACEFUL--"

"BUT SUDDENLY IT TURNED INTO A NIGHTMARE OF SNARLS AND SCREAMS! GIANT CATS LEAPED ACROSS THE COMPOUND SEARCHING FOR VICTIMS TO SLASH WITH CLAW AND FANG--SEARCHING FOR SOMEONE TO KILL!"
